

VENETO TRAIL 2022 | RULES

- The event is non-competitive, and there are some mandatory rules to respect
- The Veneto Trail's route is not exclusive for the participants, so it is mandatory to respect the Italian traffic laws
- Signs or indications do not report the route, and the only official reference for it is the Gpx route sent by the staff
- There is no health care service or assistance provided by the staff and while riding the Veneto Trail. The participant is considered as a regular cyclist in a normal excursion with no more rights than on any other occasion
- There is no recovery in case of retirement from the race and no obligation of searching the participants
- If you retire from the race, you must communicate it to the staff using an SMS or a WhatsApp message to (+39) 3498830284 – Andrea
- The A.S.D. Superbike Pozzetto is not a professional event organizer, and the event is not for lucre purposes
- The A.S.D. Superbike Pozzetto is relieved of any responsibility connected to the Veneto Trail's participants (accidents, loss of the route, physical problems, thefts, etc.)
- The participant undertakes to respect and keep clean the places crossed and undertakes not to throw the waste produced along the route
- Participants are asked to have good physical preparation, resistance to prolonged efforts, and above all, spirit of adaptation
- There is no maximum time for complete the trail
- It is forbidden to have any external effort (e.g. motorised vehicles, deviations from the official track, etc.) except in case of emergency
- The gpx track must be entirely completed if you want to be considered a finisher of Veneto Trail 2022. If you exit from it, you must go back and ride it from where you were
- For your safety, there is a mandatory kit you must have with you during all the trail: bike helmet, cell phone with battery charger, Whip Live app (Recommended, you will receive more information and a code for free-use), front and backlights, GPS, First aid kit, and bike repair kit
- There is not any assistance from the organisers, and the participants must be well equipped for all kind of possible weather conditions and environments
- The participant must have a GPS reader for following the official track

- The participant must be in a good health state and declares not to use any drug substance for alternating the performance or cause any possible dangerous situation
- The participant could find unexpected conditions or events along the trail (e.g., rain, snow, strong wind, cold, fog, darkness, humidity, accidents, etc.)
- The participant must own a medical certificate for the cycling practice or equivalent issued by a Sports Medical Centre or a doctor
- The participant is responsible for his behaviour during and after the event
- The participant grants to the organizers the most comprehensive consent to use, in the manner permitted by law, of all its video, photographic images, etc. resumed on the days of the event
- The participant expressly authorizes the organization, free of charge, to use images and videos depicting their person, taken during the event, every day of its duration.
- The present authorization for the use of one's image must be intended for an indefinite period and without territorial limits worldwide, for use in various publications and films, including, but not limited to, promotional materials and advertising on all media.
- The organization declines all responsibility for themselves and their collaborators for accidents or damage to persons or property, which may occur before, during, and after the event or as a result of the same. The organization also reserves the right to exclude cyclists from the event who will behave incorrectly before, during, and after the same.
